Guiding with Fishing Rods Supplied: €150 per day

You can pay for permits by bank transfer to our account and I can post the permits to you or your client or they can be given to the client by the guide on the day. Guiding advised for first day so that anglers don't get lost and improves their chances of a fish. I will attach a map of fisheries available to Permit holders.

Permit holders usually report back how they enjoyed the fishing even when they don't catch a fish and meeting our members who make them welcome and give advice freely

The Laune is a beautiful place to fish and the chance of a fish are as good there as any other river in Ireland and the prices as they are now are very reasonable.
